

Beloved Naannagaru

While His endearing name "Nannagaru" is so apt, His given name "Bhupathiraju Venkata Lakshmi Narasimha Raju" has a deep meaning too!

In salutation to Nannagaru who is so dear to our hearts, a few words that urged expression in a moment of overwhelming gratitude!

Oh **(Bhupathi Raja)**
Lord of the Universe!

Like **(Venkata)** the
Lord fo the Seven
Hills you bless us and

respond to our prayers; you help us to overcome misery and you shower us with Your Grace!

You are **(Lakshmi)** the Lord of Wealth, not the impermanent worldly possessions, but the real wealth of the Ultimate Divine Knowledge and Supreme Bliss!

You are **(Narasimha)** the destroyer of all delusion (maya) and upholder of the efforts towards faith and self-realization!

You are **(Raju)** the King of kings and Protector of all creation. We take refuge in thee!

While you are the supreme Lord, you are truly "**Nannagaru**" - most revered and beloved Father!

You enfold us in your divine embrace and shower us with endless Love and Peace!

We experience bliss in the Loving glance of your Grace!

Our salvation lies solely in total surrender to your beloved Feet; and constant remembrance of You in our hearts!

Bless us with strength and courage to have complete faith in You, undisturbed by the worldly affairs!

Bless us so that we always Love You!
